

ZEST FOR WORK!

our business is
your business

Working in Bath? If you need a little secretarial or administrative assistance, Zest Concierge is here for you. And if you're working hard, why not let us help you to play hard too? We know all the best places.

Bath's a fantastic city to work in. But if you're new to it, it can take some time to find just the right places to let off steam in the evenings.

Whether you need help by day or night, we'll take the weight off your shoulders, leaving you free to concentrate on your business. A quiet night in? We'll make sure a ready-to-cook meal, bottle of wine and some chilled beers are waiting in the fridge when you get back. Want to hit the town? Just tell us what you like doing and we'll have your tickets waiting. Hungry for something more adventurous? We'll book your table at a good restaurant and order your taxi home.

There's more, too. We can also arrange:

- secretarial or administrative help
- project management services
- market research
- database creation and input
- travel arrangements
- conferences or meeting rooms
- personal errands
- a chauffeur and/or guide
- balloon flights over Bath
- tickets for rugby or other events
- shopping and gift-wrapping

In fact, whatever you need while you're in Bath, **zest for work** can help.

Email us at info@zestconciierge.com, visit www.zestconciierge.com or call us for information - and of course, the more notice we have, the easier it will be to ensure we can fulfil your requests.

With **zest**, naturally.
